^a In 2009 at the Vancouver campus, there were 85 faculty (21.8 FTE) previously paid per piece who were put on monthly appointments. In 2010-2012, these faculty were changed to per piece appointments and are not included. Beginning in 2013 there was a university-wide conversion of these adjunct faculty to monthly appointments, and they are included in these numbers.

^b The job class Clinical Faculty Coll of Medicine (Pd) first appeared in the data in 2015 and generally is given to faculty working on curriculum development for the Med School. These appointments, included in the table, are numerous but have minimal FTE. In 2015 there were 21 with a total FTE of 1.46; in 2016, 33 with a total FTE of 2.01; and in 2017, 22 with a total of 1.33 FTE.

^c Graduate student employees with a job title Professional Student are not included in the Graduate Assistant category. This job title first appeared in 2017 with 13 WSU Spokane student employees and a total FTE of 1.44. Two of these students are included in the counts since they also have Research Assistantships.

Notes: Includes employees on monthly appointments on September 30; employees type is based on appointment; totals are not unique and include a few duplicates where employees have appointments in multiple employee types.
