First generation is derived from the parents education level from both admissions and financial aid applications data.
If a student is classified as first generation in either place, he/she is counted as a first generation student in the analysis.

IR datamart student_10th_day prior to Fall 2012, zzzsis end of term data as of Sep 20, 2014 prior to Fall 2012, Census and end of term snapshots starting Fall 2012.
Degree conferment for terms prior to Summer 2012 in legacy student data warehouse, and official snapshots for terms starting Summer 2012 in OBIEE Census subject area.

First generation is derived from the parents education level from both admissions and financial aid applications data.
If a student is classified as first generation in either place, he/she is counted as a first generation student in the analysis.

IR datamart student_10th_day prior to Fall 2012, zzzsis end of term data as of Sep 20, 2014 prior to Fall 2012, Census and end of term snapshots starting Fall 2012.
Degree conferment for terms prior to Summer 2012 in legacy student data warehouse, and official snapshots for terms starting Summer 2012 in OBIEE Census subject area.
